## SUNBURY HEALTHY BUSINESS NETWORKING BREAKFAST

Thanks to Crossfit\_Kenko for hosting the second breakfast in the series. It was again a great event, not to mention, a sell-out. The gym provided an appropriate context for hearing Baker IDI Heart and Diabetes Institute's latest research on whether or not sitting really is the new smoking. We also really appreciated hearing Brimbank Council and Sunshine Business Association's take on building a strong and effective local business association.

The catering was once again provided by Luke Keane and his team at The Jolly Miller Sunbury. Thanks also to Malcolm from Sacco for kick-starting our day. Some fantastic giveaways were on offer as Joseph from the Telstra Shop in Sunbury Square showcased fitness technology and Carol from Goonawarra Golf Club offered attendees a great way to get out and active with a free round of golf.

The next breakfast workshop in this series will be on Friday 14 August 2015.

Please [click here](#) to answer two questions to help us plan the next breakfast.

If you would like to host one of these breakfasts at your workplace and have a space that can comfortably accommodate 50 people, please email [erinc@sunburychc.org.au](mailto:erinc@sunburychc.org.au).

*Feel free to invite your local business contacts to join us.*
