O'SHANASSY STREET STREET-SCAPE WORKS

As you are all probably well aware, the work on O'Shanassy street still continues, with the recent introduction of new footpath space and the new pedestrian crossing in the middle of the street.

We ask that you support those local traders in the area who may be affected by the works, by continuing to purchase their goods and services.

Also, to help support these local businesses a Facebook page called '**O'Shannasy Street Precinct - Open for Business**' has been created, which gives traders the opportunity to promote their businesses and current specials.
