

Sunranges Business Network Vision Statement

The Sunranges Business Network represents a wide range of businesses throughout the Hume and Greater Sunbury Region. Sunranges Business Network is more than just a business networking group, it is a safe forum that allows the members to exchange ideas and reach out to the entire business community by advocating their business through our membership.

We do this by acting under one unified vision: Helping local businesses succeed.

Our values are important to us and we want our members to know what we value and what we put into practice in our daily processes. These are the values we bring to each other on the team.

- **Integrity** – Encompassing Honesty and loyalty.
- **Knowledge** – Education to improve practices and processes.
- **Accountability** – Being responsible and professional.
- **Support** – With assistance to all and promote business growth for all.
- **Fairness** – Treating others with respect and equality.
- **Excellence** – Providing a platform for the express purpose of improvement and growth.
- **Success** – Through networking with like minded business people.

The Sunranges Business Network meets at 7:15 am fortnightly. Venue TBA. (e.g. McMahon Pavilion, Clarke Oval, Riddell Rd, Sunbury, VIC, 3429)

Growth of the Sunranges Business Network has been measured and deliberate as the membership seeks those who will make the effort each fortnight to bring referrals, to the group and who will observe the attendance requirements.

Members are encouraged to bring guests they feel would be suitable for consideration. Any current members can be contacted directly for more information.

Sunranges Business Network Mission Statement

Our mission is to help our members form strong business relationships through fortnightly meetings which provide support and promote business with the exchange of leads, referrals and contact information.

The Sunranges Business Network network, provides the forum for a diversified group of business professionals to enhance their marketing efforts and achieve higher sales through the growth and maintenance of professional relationships.
